

REPORT OF THE DRUG RESEARCH ETHICS COMMITTEE

Ms María Tordera Baviera, head of the Technical Secretariat of the Drug Research Ethics Committee at the **Hospital Universitario y Politécnico La Fe**,

CERTIFIES

That this Committee has assessed the Research Project at a meeting held on **6 March 2019**:

Title: "**RETROSPECTIVE STUDY ON THE ASSESSMENT OF THE USE OF UTERINE MOBILISERS IN EARLY-STAGE ENDOMETRIAL CANCER: MUCEI STUDY**".

Registration No: **2019/0075**

Version/date of project report: **28 January 2019**

That this project complies with the ethical regulations on biomedical research with human subjects and is viable in terms of the scientific approach, objectives, material and methods, etc., described in the application, as well as the Patient Information Sheet and the Informed Consent.

Consequently, this Committee has resolved to **REPORT FAVOURABLY** on this Research Project to be conducted at the Hospital Universitario y Politécnico La Fe by **Dr. Raquel Quintana Bertó** and **Dr. Pablo Padilla Iserte**, of the **GYNAECOLOGICAL ONCOLOGY** service/unit/research group as Principal Investigators.

That the DREC of the Hospital Universitario y Politécnico La Fe, both in its composition and in its procedures, complies with the GCP regulations (CPMP/ICH/135/95) and with the legislation in force that regulates its operation, and that the composition of the DREC of the Hospital Universitario y Politécnico La Fe is as indicated in Appendix I, taking into account that, if any member participates in the study or declares a conflict of interest, he/she will not have been involved in the assessment or in the report regarding the application for authorisation of the clinical study.

Signed in Valencia on 6 March 2019
